ONTARIO REGULATION 740/93
made under the
LANDLORD AND TENANT ACT

Made: November 19, 1993
Filed: November 22, 1993

Amending Reg. 707 of R.R.O. 1990
(Summary of Part IV of the Act)

Note: There are no prior amendments to Regulation 707.

1. Regulation 707 of the Revised Regulations of Ontario, 1990 is amended by adding the following French version:

RÉSUMÉ DE LA PARTIE IV DE LA LOI

1 Le résumé de la partie IV mentionné à l'alinéa 111 (1) d) de la Loi est rédigé selon la formule établie à l'annexe. Règl. de l'Ont. 740/93, art. 1, *en partie*.

Annexe

DISPOSITIONS GÉNÉRALES

1 La partie IV de la *Loi sur la location immobilière* régit les relations entre les locateurs et les locataires de locaux d'habitation. Elle s'applique, que le bail soit écrit, verbal ou implicite. (art. 79, 80)

2 Ni le locateur ni le locataire ne peuvent renoncer à leurs droits en vertu de la partie IV de la Loi, que ce soit oralement ou par une convention écrite. (art. 80)

3 S'il s'agit d'un bail écrit, le locateur en retourne un exemplaire signé au locataire au plus tard vingt et un jours après que celui-ci en a remis au locateur un exemplaire signé. S'il ne le fait pas, le locataire est alors relevé de ses obligations (y compris celle de payer le loyer) aux termes du bail, jusqu'à ce que le locateur lui en remette un exemplaire. (art. 81)

DÉPÔTS DE GARANTIE

4 (1) Le locateur peut exiger un dépôt de garantie équivalant au loyer d'une période de location (par exemple un mois, une semaine ou un jour, en fonction de la location). Si la période de location dépasse un mois, le dépôt de garantie est limité à un mois de loyer. Le locateur paie au locataire des intérêts de 6 pour cent par an sur le dépôt de garantie, aussi longtemps que le locateur détient cette somme. Lorsque le locataire quitte les lieux, à l'expiration du terme du bail, le dépôt de garantie est imputé au loyer exigible pour la dernière période de location.

(2) Les dépôts de garantie destinés à payer les dommages ou les réparations ne sont plus légitimes (sauf dans le cas des locations à terme fixe, dans des parcs de maisons mobiles, qui ont été conclues avant le 18 décembre 1975; le dépôt destiné à payer les dommages doit alors être rendu lorsque le bail est terminé ou reconduit). (art. 83)

SAISIE DES BIENS DU LOCATAIRE

5 Commet une infraction le locateur qui saisit les biens mobiliers du locataire parce que celui-ci est en retard dans le paiement du loyer. (art. 84)

SOUS-LOCATION OU CESSIION DES LIEUX LOUÉS

6 (1) Un locataire, à l'exception de celui d'un logement subventionné ou public, peut sous-louer ou céder le logement loué. Le locateur peut cependant s'être réservé le droit, dans le bail, d'approuver le nouveau locataire. Le locateur ne peut refuser son consentement de façon injustifiée ou arbitraire et, lorsqu'il le donne, ne peut faire payer que des frais normaux et modiques.

(2) Le locateur ou le locataire peut, par requête, demander à un juge

RÈGLEMENT DE L'ONTARIO 740/93
pris en application de la
LOI SUR LA LOCATION IMMOBILIÈRE

pris le 19 novembre 1993
déposé le 22 novembre 1993

modifiant le Règl. 707 des R.R.O. de 1990
(Résumé de la partie IV de la Loi)

Remarque : Aucune modification antérieure n'a été apportée au Règlement 707.

1 Le Règlement 707 des Règlements refondus de l'Ontario de 1990 est modifié par adjonction de la version française suivante :

de la Cour de l'Ontario (Division générale) de régler les différends qui s'élèvent à propos de la cession ou de la sous-location des lieux. (art. 89)

DROIT À LA VIE PRIVÉE

7 (1) À l'exception de cas d'urgence, le locateur ou ses employés ne peuvent entrer dans les lieux loués sans donner au locataire un avis écrit de vingt-quatre heures précisant une heure de la journée à laquelle peut avoir lieu l'entrée. Une clause du bail peut toutefois donner au locateur le droit de faire visiter les lieux loués à une heure convenable à un locataire éventuel, après qu'un avis approprié de déménagement a été donné. Le bail peut également exiger du locateur qu'il nettoie les lieux loués. Dans ce cas, le locateur peut entrer dans les lieux pour les nettoyer comme l'exige le bail. Le locataire peut également permettre au locateur d'entrer dans les lieux au moment où la demande lui en est faite. (art. 91)

(2) Ni le locateur ni le locataire ne peuvent changer la serrure d'une porte des lieux loués sans le consentement de l'autre partie. (art. 93)

8 Le locateur ne peut interdire l'accès des lieux loués aux agents électoraux. (art. 92)

RÉPARATIONS ET ENTRETIEN

9 (1) La partie IV exige qu'un locateur garde les lieux loués en bon état et propres à l'habitation pendant la location. Le locateur se conforme également aux normes de salubrité, de sécurité et d'habitation exigées par la loi, quel que soit l'état dans lequel se trouvaient les lieux lorsque le locataire a emménagé. (par. 94 (1))

(2) Le locataire garde les lieux en bon état de propreté (bon entretien de la maison), et répare les dommages causés par sa faute ou sa négligence, ou par celle de ses invités. (par. 94 (2))

(3) En vertu de la Loi, le locataire peut, par voie de requête, demander à un juge de la Cour de l'Ontario (Division générale) une ordonnance autorisant des réparations ou autorisant celles que le locataire a payées. Le juge peut accorder au locataire une diminution de loyer tant que les lieux n'ont pas été entretenus convenablement. (par. 94 (4))

(4) En cas d'urgence, le locataire peut faire effectuer des réparations importantes immédiatement et en déduire le coût du montant du loyer. Le locataire conserve des reçus détaillés pour tous les travaux effectués. Si le locataire est dans l'impossibilité de prouver que les réparations étaient nécessaires et ont été faites de la façon la moins onéreuse possible, le locateur peut présenter une requête au tribunal et le juge peut alors ordonner que le locataire paie le loyer qui a été retenu. Le juge peut même permettre au locateur de résilier la location et ordonner l'expulsion du locataire. (par. 94 (4))

RÉSILIATION DE LOCATIONS

10 (1) Les locations à terme fixe (six mois, un an ou dix-huit mois) n'expirent plus simplement à la fin du terme, obligeant le locataire à déménager à cette date. Lorsqu'une telle location se termine sans que le locateur ou le locataire ait conclu un nouveau bail, la Loi prévoit que le bail est reconduit d'un mois à l'autre jusqu'à ce que les deux parties concluent un autre bail. Puisque les locations peuvent se poursuivre

indéfiniment, les locateurs ou les locataires qui désirent mettre fin à des locations de locaux d'habitation à la semaine, au mois, à l'année ou à terme fixe doivent en aviser l'autre partie par écrit.

(2) Le locateur et le locataire peuvent se mettre d'accord par écrit, au cours de la location, pour y mettre fin à une date précise, auquel cas aucun avis n'est nécessaire. (art. 96 à 104)

11 (1) L'avis du locateur ou du locataire :

- a) est écrit et signé par la personne qui le donne ou son représentant, et porte la date de la signature;
- b) identifie les lieux pour lesquels l'avis est donné;
- c) précise la date à laquelle les lieux doivent être libérés (date de résiliation).

(2) En outre, l'avis de résiliation donné par le locateur :

- a) indique les motifs de la résiliation de la location et donne des précisions sur cette résiliation;
- b) informe le locataire que s'il a l'intention de contester la revendication de possession par le locateur, il n'est pas nécessaire qu'il quitte les lieux, mais que le locateur peut en reprendre la possession s'il obtient une ordonnance du greffier local ou du juge de la Cour de l'Ontario (Division générale), et que le locataire peut contester la revendication du locateur. (par. 97 (1))

12 (1) L'avis de résiliation d'une location donné par le locateur ou le locataire est donné au plus tard vingt-huit jours avant le dernier jour d'une location à la semaine, et soixante jours avant le dernier jour d'une location au mois, à l'année ou à terme fixe. Si l'avis est donné avec retard, même d'un seul jour, il est sans effet et un avis approprié doit être donné. (art. 98 à 102)

(2) Si le locateur a l'intention de démolir les lieux, de les affecter à un autre usage ou d'y faire des réparations importantes, il donne un avis d'au moins 120 jours avant la fin de la location. (art. 105)

(3) Le locateur peut résilier une location pendant la durée du bail pour certains motifs et avec des délais d'avis particuliers. (art. 106, 107)

13 (1) Le locataire peut remettre l'avis en personne au locateur ou à son représentant, ou l'envoyer par courrier ordinaire. Dans ce dernier cas, la Loi suppose qu'il a été remis le troisième jour qui suit la date de sa mise à la poste. (art. 123)

(2) Le locateur essaie de remettre l'avis en personne au locataire. Si celui-ci est absent ou se soustrait à la signification, l'avis peut être remis en le remettant en main propre à une personne qui paraît âgée de dix-huit ans ou plus et qui se trouve sur les lieux du locataire, en l'affichant, sur les lieux loués, à un endroit bien en vue ou en l'expédiant par courrier recommandé à l'adresse des lieux. Si l'avis est expédié par la poste, il est réputé remis le troisième jour qui suit la date de sa mise à la poste. (art. 123)

14 (1) Le locateur doit avoir un motif légitime pour résilier une location aux termes de la partie IV de la Loi. Les motifs, ainsi que des précisions, doivent figurer dans l'avis, que la résiliation ait lieu à la fin de la période ou du terme de la location ou pendant le cours de la location. (par. 97 (1))

(2) Si le locataire ne paie pas son loyer qui est échu, le locateur peut donner un avis de résiliation qui précise une date de résiliation au plus tôt vingt jours (sept jours dans le cas d'une location à la journée ou à la semaine) après que l'avis a été donné. Si le locataire paie le loyer dans les quatorze jours de l'avis (sept jours dans le cas d'une location à la journée ou à la semaine), celui-ci est nul. (art. 106)

(3) Le locateur peut signifier un avis de résiliation dans les cas suivants :

1. Le locataire ou ses invités causent des dommages injustifiés aux lieux par leur faute ou par négligence. (al. 107 (1) a))
2. Le locataire ou ses invités gênent considérablement le locateur ou les autres locataires dans leur jouissance normale des lieux. (al. 107 (1) c))
3. Le locataire ou ses invités compromettent gravement la sécurité ou un autre droit ou avantage légitime des autres locataires des lieux. (al. 107 (1) d))
4. Le surpeuplement continu des lieux contrevient aux normes de salubrité, de sécurité ou d'habitation. (al. 107 (1) e))

(4) Si le locateur invoque l'un de ces quatre motifs, il donne un avis indiquant que celui-ci prend effet au plus tôt vingt jours après la date à laquelle il est donné. Le locateur avise également le locataire qu'il a sept jours pour remédier à la situation. Si, dans les sept jours, le locataire se conforme aux conditions de l'avis ou assure au locateur que la situation va être corrigée, l'avis est nul. Si le locataire ne remédie pas à la situation dans les sept jours qui suivent, le locateur peut, par voie de requête, demander au tribunal une ordonnance autorisant l'expulsion du locataire. (par. 107 (1) à (3))

(5) Si le locataire manque une seconde fois à ces obligations au cours d'une période de six mois, il suffit au locateur de donner un avis de quatorze jours et il peut immédiatement présenter une requête au tribunal afin d'obtenir une ordonnance autorisant l'expulsion du locataire. (par. 107 (4))

15 (1) Le locateur peut également résilier un bail de façon anticipée si :

- a) soit le locataire accomplit un acte illicite dans les locaux d'habitation ou y exerce un commerce illicite;
- b) soit le locataire d'un logement public ou subventionné fait une fausse déclaration en ce qui concerne son revenu ou celui des membres de sa famille qui occupent les locaux d'habitation. (al. 107 (1) b), f))

(2) Si l'avis est fondé sur l'un de ces deux motifs, le locateur donne un avis qui précise qu'il prend effet au plus tôt vingt jours après qu'il a été donné. Le locateur peut présenter immédiatement une requête au tribunal pour obtenir une ordonnance d'expulsion. (par. 107 (3))

16 (1) Les motifs de résiliation d'une location avant l'expiration du terme ou de la période de location s'appliquent également dans le cas d'une résiliation à l'expiration du terme ou de la période de location. (par. 110 (3))

(2) La Loi reconnaît d'autres motifs de résiliation à l'expiration de la période de location, à savoir :

1. Si le locateur a besoin des locaux d'habitation pour lui-même ou un membre de sa famille immédiate. (Pour être admissible à ce droit, le locateur doit donner au locataire un avis d'au moins soixante jours.)
2. Le locataire a continuellement omis d'acquitter le loyer à l'échéance. (Ce motif s'applique même si le locataire n'a pas d'arriéré à la fin du terme.)
3. Les locaux d'habitation sont publics ou subventionnés et le locataire n'a plus les qualités requises pour les occuper.
4. Les locaux d'habitation avaient été fournis au locataire par son employeur, et l'emploi du locataire a pris fin.
5. La location découlait d'une convention de vente d'une partie privative d'un condominium projeté, et la convention a été résiliée.
6. Le locateur veut reprendre possession des locaux d'habitation pour les démolir, pour les affecter à un usage autre que la

location, ou pour y effectuer des réparations ou des travaux de rénovation si importants qu'ils exigent un permis de construire et la libre possession des locaux. (par. 110 (3), art. 105)

(3) Si le locateur donne au locataire un avis de résiliation à l'expiration du terme ou de la période de location, il peut immédiatement présenter une requête à la Cour de l'Ontario (Division générale) afin d'obtenir une ordonnance d'expulsion qui prend effet à la date de résiliation indiquée dans l'avis ou à une date ultérieure. Le locateur et le locataire peuvent aussi se mettre d'accord par écrit pour résilier le bail à une date précise. Le locateur peut faire exécuter l'accord en présentant une requête au tribunal afin d'obtenir une ordonnance d'expulsion. (art. 110)

(4) Si les lieux vont être démolis, affectés à un usage autre que la location (par exemple un condominium), réparés ou rénovés de façon si importante que les travaux nécessitent un permis de construire et la libre possession des lieux, le locateur peut donner un avis précisant une date à la fin de la période de location ou après celle-ci, mais la date ne peut être antérieure à 120 jours après la date de remise de l'avis. (par. 105 (1))

(5) Le locataire qui reçoit cet avis dispose des options suivantes :

1. Il peut se conformer à ce qui est demandé.
2. Il peut quitter les lieux à une date antérieure. S'il agit ainsi, il donne au locateur un avis écrit au moins dix jours avant la date à laquelle il a l'intention de quitter les lieux, et paie tout arriéré de loyer jusqu'à la date d'expiration (mentionnée dans l'avis du locataire), en tenant compte du montant de tout dépôt de garantie que le locateur peut détenir.
3. Il peut exiger que le locateur convainque un juge de la validité de sa revendication et que le locateur ait obtenu les permis de démolition ou autres autorisations nécessaires. (par. 105 (2))

(6) Si l'avis concerne des réparations ou des travaux de rénovation importants, le locataire peut avoir un droit de première option de redevenir locataire lorsque les travaux sont terminés, s'il avise par écrit le locateur qu'il désire se prévaloir de ce droit. Il ne conserve ce droit que s'il informe le locateur, par courrier recommandé, de tout changement d'adresse. Le loyer, une fois les réparations ou les travaux de rénovation terminés, doit être le plus bas qui serait exigé d'un autre locataire des mêmes lieux. (par. 105 (3))

(7) Des dispositions particulières s'appliquent à la résiliation de la location d'un gardien, concierge, gérant, agent de sécurité ou surveillant. Sauf stipulation contraire, le bail prend fin le jour où se termine l'emploi de cette personne. Le «gardien» dispose d'une semaine gratuite à partir de cette date pour quitter les lieux. (art. 115)

17 Le locateur a le droit de présenter une requête à la Cour de l'Ontario (Division générale) afin d'obtenir une ordonnance prévoyant la résiliation de la location, l'expulsion (bref de mise en possession), le paiement de l'arriéré du loyer ou d'une indemnité, ou l'exécution d'un avis ou d'un accord de résiliation du bail d'un locataire. Le locateur a également le droit de présenter une requête afin d'obtenir une ordonnance visant à faire effectuer des réparations aux frais du locataire. (art. 113)

18 Outre le droit de demander, par requête, que soient autorisées des réparations, le locataire peut présenter une requête au tribunal en vue de la résiliation d'une location ou d'une diminution de loyer si le locateur ne s'acquitte pas, dans une large mesure, de ses obligations. Le locataire peut présenter une requête au tribunal pour obtenir le remboursement du dépôt de garantie avec intérêts sur celui-ci. (art. 94, 113)

QUESTIONS JUDICIAIRES

19 (1) Le locateur ou le locataire qui désire faire exécuter un recours judiciaire peut présenter une requête à la Cour de l'Ontario (Division générale). La partie contre qui la requête est présentée en est avisée, et elle a l'occasion de la contester par écrit ou en se présentant devant le greffier local du tribunal, en personne ou par l'intermédiaire d'un

représentant. En l'absence de contestation, un avis de l'ordonnance est envoyé à la personne contre qui la requête est présentée. (art. 113)

(2) Les locateurs et les locataires peuvent maintenant être représentés devant le juge par des représentants qui ne sont pas des avocats. Le but recherché est d'encourager l'absence de formalité lors des audiences du tribunal en relâchant les règles rigides de la preuve. (art. 118)

EXPULSIONS

20 Le locataire ne peut être expulsé que par le shérif et ses adjoints, en vertu d'une ordonnance du tribunal autorisant l'expulsion (bref de mise en possession). (par. 121 (1))

PARCS DE MAISONS MOBILES

21 (1) Toute la Loi s'applique également aux locateurs de parcs de maisons mobiles et aux propriétaires de maisons mobiles (mais non de roulottes ou de tentes-remorques) qui louent des emplacements dans ces parcs. (art. 79)

(2) Les locataires qui disposent d'un emplacement dans ces parcs peuvent vendre leur maison mobile, la louer ou s'en départir d'une autre façon, même si la maison reste dans le parc. Le locateur ne peut refuser son consentement de façon injustifiée ou arbitraire aux nouveaux propriétaires qui restent dans le parc. Le locateur n'est en droit que de faire payer des frais normaux pour donner ce consentement. Un différend qui survient au sujet de ce consentement peut être porté devant un juge de la Cour de l'Ontario (Division générale). (par. 125 (1) à (5))

(3) Le locateur n'a pas le droit d'agir comme représentant du locataire dans les négociations en vue de vendre la maison mobile du locataire, de la louer ou de s'en départir d'une autre façon, à moins qu'il n'existe un contrat écrit à cet effet. (par. 125 (6))

(4) Les locateurs ne sont plus autorisés à percevoir des droits d'entrée et d'installation d'une maison mobile dans un parc, des droits de retrait et de sortie d'une maison mobile du parc, ou des droits pour accorder une location dans un parc, à l'exception des frais normaux qu'ils engagent. (art. 126)

(5) Le locateur ne peut limiter le droit du locataire d'acheter des biens ou d'obtenir des services de la personne de son choix. Il peut cependant fixer des normes acceptables relativement à l'équipement des maisons mobiles. (art. 127)

(6) Les locateurs ont l'obligation d'assurer l'enlèvement des ordures et le déneigement, d'entretenir les chemins et d'assurer les services publics dans les parcs de maisons mobiles. (art. 128)

AVIS D'AUGMENTATION DE LOYER

22 (1) Le locateur qui veut augmenter le loyer est maintenant tenu de donner au locataire un avis de quatre-vingt-dix jours sur lequel est indiqué le montant de l'augmentation. (par. 129 (1))

(2) À moins que le locataire ne décide de quitter les lieux et ne donne l'avis écrit requis, il est réputé avoir accepté le montant de l'augmentation de loyer permis par la loi. (par. 129 (2))

(3) Tant que la loi qui prévoit la révision des loyers est en vigueur, le locataire ne renonce pas à son droit de contester une augmentation de loyer en signant un nouveau bail ou en ne répondant pas à l'avis d'augmentation du locateur. (par. 129 (3))

SÉCURITÉ DU LOCATAIRE

23 Commet une infraction le locateur qui pousse le locataire à quitter les lieux ou entrave la distribution des services essentiels, tels que le chauffage ou l'électricité, pendant que le locataire occupe les lieux. (par. 121 (4))

24 (1) Un juge refuse au locateur une ordonnance autorisant l'expulsion si le tribunal constate que le locateur :

- a) n'a pas rempli ses obligations fondamentales;
- b) désire expulser le locataire parce que celui-ci a déposé une plainte auprès des autorités portant que le locateur a enfreint une loi relative à la salubrité, à la sécurité ou à l'habitation;
- c) use de représailles envers le locataire qui a tenté d'exercer ses droits reconnus en droit;
- d) désire expulser le locataire parce qu'il fait partie d'une association de locataires ou tente d'en constituer une;
- e) désire expulser le locataire en raison de la présence d'enfants (à l'exception des cas de surpeuplement ou de lieux qui ne conviennent pas à des enfants). (par. 121 (3))

(2) Un groupe de locataires qui ont un différend commun avec un locateur peuvent, avec l'approbation d'un juge, traduire ensemble ce locateur en justice. Inversement, le locateur peut, avec l'approbation du juge, traduire un groupe de locataires en justice. (art. 119)

AFFICHAGE

25 (1) Les locateurs de locaux d'habitation qui comprennent plus d'un logement et une partie commune, telle qu'un vestibule, ainsi que les locateurs de parcs de maisons mobiles, sont tenus d'afficher une copie de la partie IV de la *Loi sur la location immobilière*, ou une copie du présent résumé, dans un endroit bien en vue.

(2) Les nom et prénom ou la raison sociale, et l'adresse du locateur aux fins de signification sont également affichés. Les locataires peuvent traduire les locateurs en justice sous le nom qui est affiché. (art. 111)

PÉNALITÉS

26 La *Loi sur la location immobilière* prévoit maintenant pour les infractions à la Loi des amendes d'au plus 2 000 \$ dans le cas de particuliers et d'au plus 25 000 \$ dans le cas de personnes morales. Constituent des infractions le fait pour le locateur d'entraver la distribution des services essentiels, de ne pas afficher une copie de la partie IV de la Loi ainsi que les nom et prénom ou la raison sociale, et l'adresse du locateur, de saisir les biens du locataire en raison du non-paiement du loyer, et d'entrer de façon illégitime dans les lieux loués. (art. 122)

BUREAU CONSULTATIF DE LOCATION

27 La Loi autorise les municipalités à créer des bureaux consultatifs de location dans le but de conseiller et de concilier les locateurs et les locataires, et de fournir des renseignements en matière de location à usage d'habitation. Il incombe toutefois à la municipalité de créer un tel bureau. Les locateurs ou les locataires qui ont des problèmes devraient consulter leurs services municipaux locaux pour savoir si un bureau a été créé dans leur secteur. (art. 124) Règl. de l'Ont. 740/93, art. 1, *en partie*.

O. Reg. 760/93, s. 2.

APPLICATION

3.—(1) This Regulation applies only with respect to the plants listed in Schedule 1.

(2) This Regulation does not apply with respect to the discharge of effluent to a municipal sewer. O. Reg. 760/93, s. 3.

REQUIREMENTS UNDER APPROVALS, ORDERS, ETC.

4. For greater certainty, the requirements of this Regulation are in addition to and independent of requirements in an approval, order, direction or other instrument issued under any Act. O. Reg. 760/93, s. 4.

NON-APPLICATION OF GENERAL EFFLUENT MONITORING REGULATION

5. This Regulation is not a Sectoral Effluent Monitoring Regulation within the meaning of Ontario Regulation 695/88. O. Reg. 760/93, s. 5.

BY-PASSES

6. Beginning on January 1, 1996, a discharger shall not permit process effluent to be discharged from the discharger's plant unless the process effluent flows past a sampling point established on a process effluent stream in accordance with this Regulation before being discharged. O. Reg. 760/93, s. 6.

SAMPLING AND ANALYTICAL PROCEDURES

7.—(1) Each discharger shall carry out the establishment of sampling point obligations of this Regulation and the sampling and analysis obligations of this Regulation, including quality control sampling and analysis obligations, in accordance with the procedures described in the Ministry of Environment and Energy publication entitled "Protocol for the Sampling and Analysis of Industrial/Municipal Wastewater", dated July, 1993.

(2) Each discharger shall maintain the sampling equipment used at the discharger's plant for sampling required by this Regulation in a way that ensures that the samples collected at the plant under this Regulation accurately reflect the level of discharge of each limited parameter, assessment parameter and specific parameter from the plant. O. Reg. 760/93, s. 7.

PART II
SAMPLING POINTS

ESTABLISHMENT AND ELIMINATION OF SAMPLING POINTS

8.—(1) Each discharger shall, by February 23, 1994, establish a sampling point on each process effluent and cooling water effluent stream at the discharger's plant, as necessary so that the plant loadings calculated under sections 12 and 13 for each limited parameter and assessment parameter and the concentrations determined for each specific parameter accurately reflect the level of discharge of each such parameter from the plant.

(2) If circumstances change so that a new sampling point is necessary at a discharger's plant in order to permit the calculation of plant loadings under sections 12 and 13 for each limited parameter and assessment parameter and the determination of concentrations for each specific parameter that accurately reflect the level of discharge of each such parameter from the plant, the discharger shall, within thirty days of the change, establish the new sampling point.

(3) A discharger may eliminate a sampling point established under subsection (1) or (2) if the sampling point is no longer necessary to permit the calculation of plant loadings under sections 12 and 13 for each limited parameter and assessment parameter and the determination of concentrations for each specific parameter that accurately reflect the level of discharge of each such parameter from the plant.

(4) For the purposes of this section, a plant loading for a parameter or a concentration for a parameter that is based on analytical results that are significantly affected by dilution or masking due to the merging of streams upstream of a sampling point at a plant is not a loading or a concentration that accurately reflects the level of discharge of the parameter from the plant.

(5) In determining what is necessary to meet a discharger's obligations to establish sampling points under this section, the discharger shall consider both which streams should have sampling points and where on a stream a sampling point should be located. O. Reg. 760/93, s. 8.

REPORTS ON SAMPLING POINTS

9.—(1) By March 7, 1994, each discharger shall submit to the Director a list and plot plan showing the sampling points established under this Regulation at the discharger's plant as of February 23, 1994.

(2) Within thirty days after establishing a sampling point under this Regulation that is not shown on a list and plot plan submitted under this section, the discharger shall give the Director a written notice describing the location of the sampling point, together with a revised list and plot plan showing the sampling point.

(3) Within thirty days after eliminating a sampling point under this Regulation that is shown on a list and plot plan submitted under this section, the discharger shall give the Director a written notice describing where the sampling point used to be, together with a revised list and plot plan without the sampling point. O. Reg. 760/93, s. 9.

USE OF SAMPLING POINTS ESTABLISHED UNDER THIS PART

10. Subject to section 22, each discharger shall use the sampling points established under this Part for all sampling required by this Regulation.

PART III
CALCULATION OF LOADINGS

CALCULATION OF LOADINGS — GENERAL

11.—(1) For the purposes of performing a calculation under sections 12 and 13, a discharger shall use the actual analytical result obtained by the laboratory.

(2) Despite subsection (1), where the actual analytical result is less than one-tenth of the analytical method detection limit set out in the Ministry of Environment and Energy publication entitled "Protocol for the Sampling and Analysis of Industrial/Municipal Wastewater" dated July, 1993, the discharger shall use the value zero for the purpose of performing a calculation under sections 12 and 13.

(3) Each discharger shall ensure that each calculation of a process effluent loading required by section 12 is performed as soon as reasonably possible after the analytical result on which the calculation is based becomes available to the discharger.

(4) Each discharger shall ensure that each calculation of a cooling water effluent loading required by section 13 is performed in time to comply with subsection 34 (4). O. Reg. 760/93, s. 11.

CALCULATION OF LOADINGS — PROCESS EFFLUENT

12.—(1) Each discharger shall calculate, in kilograms, a daily process effluent stream loading for each limited parameter in each process effluent monitoring stream of the discharger for each day on which a sample is collected under this Regulation from the stream for analysis for the parameter.

(2) When calculating a daily stream loading under subsection (1), the discharger shall multiply, with the necessary adjustment of units to yield a result in kilograms, the analytical result obtained from the sample for the parameter by the daily volume of effluent, as determined under section 27, for the stream for the day.

(3) Each discharger shall calculate, in kilograms, a daily process effluent plant loading for each limited parameter for each day for which the discharger is required to calculate a daily process effluent stream loading for the parameter under subsection (1).

(4) For the purposes of subsection (3), a daily process effluent plant loading for a parameter for a day is the sum, in kilograms, of the daily process effluent stream loadings for the parameter calculated under subsection (1) for the day.

(5) Where a discharger calculates only one daily process effluent stream loading for a parameter for a day under subsection (1), the daily process effluent plant loading for the parameter for the day for the purposes of subsection (3) is the single daily process effluent stream loading for the parameter for the day.

(6) Each discharger shall calculate, in kilograms, a monthly average process effluent plant loading for each limited parameter for each month in which a sample is collected under this Regulation more than once from a process effluent monitoring stream at the discharger's plant for analysis for the parameter.

(7) For the purposes of subsection (6), a monthly average process effluent plant loading for a parameter for a month is the arithmetic mean of the daily process effluent plant loadings for the parameter calculated under subsection (3) for the month. O. Reg. 760/93, s. 12.

CALCULATION OF LOADINGS — COOLING WATER

13.—(1) Each discharger shall calculate, in kilograms, a daily cooling water effluent stream loading for each assessment parameter in each cooling water effluent monitoring stream of the discharger for each day on which a sample is collected under this Regulation from the stream for analysis for the parameter.

(2) When calculating a daily stream loading under subsection (1), the discharger shall multiply, with the necessary adjustment of units to yield a result in kilograms, the analytical result obtained from the sample for the parameter by the daily volume of effluent, as determined under section 27, for the stream for the day.

(3) Each discharger shall calculate, in kilograms, a daily cooling water effluent plant loading for each assessment parameter for each day for which the discharger is required to calculate a daily cooling water effluent stream loading for the parameter under subsection (1).

(4) For the purposes of subsection (3), a daily cooling water effluent plant loading for a parameter for a day is the sum, in kilograms, of the daily cooling water effluent stream loadings for the parameter calculated under subsection (1) for the day.

(5) Where a discharger calculates only one daily cooling water effluent stream loading for a parameter for a day under subsection (1), the daily cooling water effluent plant loading for the parameter for the day for the purposes of subsection (3) is the single daily cooling water effluent stream loading for the parameter for the day.

(6) Each discharger shall calculate, in kilograms, a monthly average cooling water effluent plant loading for each assessment parameter for each month in which a sample is collected under this Regulation more than once from a cooling water effluent monitoring stream at the discharger's plant for analysis for the parameter.

(7) For the purposes of subsection (6), a monthly average cooling water effluent plant loading for a parameter for a month is the arithmetic mean of the daily cooling water effluent plant loadings for the parameter calculated under subsection (3) for the month. O. Reg. 760/93, s. 13.

- O. Reg. 760/93, s. 14.

REVISED PARAMETER LIMITS

15.—(1) Beginning on January 1, 1996, each discharger may annually calculate a revised daily plant loading limit and a revised monthly average plant loading limit for each limited parameter.

(2) Despite subsection (1), beginning on January 1, 1995, each discharger for which a limit for AOX is listed in Columns 3 and 4 of Schedule 2 may annually calculate a revised daily plant loading limit and a revised monthly average plant loading limit for AOX.

(3) Each discharger shall calculate, to three significant figures, a revised daily plant loading limit for a limited parameter by dividing the revised reference production rate of finished product at the discharger's plant as determined under subsection (4) by the reference production rate of finished product specified in Schedule 4 for the discharger's plant, and multiplying that ratio by the daily plant loading limit specified for the parameter and the plant in Column 3 of Schedule 2.

(4) For the purposes of subsection (3), the revised reference production rate of finished product at a discharger's plant is equal to the highest value of the ninetieth percentiles of the daily production of finished product at the plant for the three calendar years preceding the calendar year in which the revised limit is to come into force.

(5) To determine the highest value of the ninetieth percentiles of the daily production of finished product at the plant for the three calendar years, the discharger shall do the following:

1. Determine, in tonnes, the amount of dried finished product that was produced by the plant on each day that the plant operated in each of the three calendar years.
2. For each of the three calendar years, determine the statistically derived value that is equal to the amount of dried finished product, produced daily by the plant, that was exceeded on 10 per cent of the days that the plant operated in that calendar year.
3. Take the highest of the values determined under step 2.

(6) The reference production rate and the revised reference production rate to be used for the purpose of calculating a revised daily plant loading limit for AOX are the rates of production of bleached pulp and, for the purpose, a reference in subsections (3) to (5) to finished product shall be deemed to be a reference to bleached pulp.

(7) For the purposes of subsection (3), the daily plant loading limit for AOX is the limit set out for the parameter and the plant in Column 3 of Schedule 2 that is in effect on the first day of January in the calendar year in which the revised limit is to come into force.

(8) If the revised daily plant loading limit calculated for a limited parameter under subsection (3) exceeds the daily plant loading limit

specified for the parameter and the plant in Column 3 of Schedule 2 by no more than 15 per cent, the discharger may notify the Director in writing of the value of the revised limit and of the value of the revised reference production rate used for the purpose of calculating that limit.

(9) A notice under subsection (8) shall be given to the Director in writing on or before January 31 in the calendar year in which the revised limit is to come into force.

(10) Where a notice is given under subsection (8), the revised daily plant loading limit calculated for the limited parameter under subsection (3) shall be deemed to replace the daily plant loading limit specified for the parameter and the plant in Column 3 of Schedule 2.

(11) Despite subsection (10), the daily plant loading limit specified for a parameter and a plant in Column 3 of Schedule 2 shall always be used for the purpose of making a calculation under subsection (3) or for the purpose of making a determination under subsection (8) or (14).

(12) Where a notice is given under subsection (8) with respect to a limited parameter and a revised daily plant loading limit is already in force with respect to the limited parameter, the revised daily plant loading limit calculated for the limited parameter under subsection (3) shall be deemed to replace the revised daily plant loading limit that is currently in force.

(13) Subsections (3) to (12) apply with necessary modifications for the purpose of calculating and using a revised monthly average plant loading limit and, for the purpose, a reference in those subsections to a revised daily plant loading limit shall be deemed to be a reference to a revised monthly average plant loading limit, a reference to a daily plant loading limit shall be deemed to be a reference to a monthly average plant loading limit, and a reference to Column 3 of Schedule 2 shall be deemed to be a reference to Column 4 of Schedule 2.

(14) If a revised limit calculated for a limited parameter under subsection (3) exceeds the applicable limit specified for the parameter and the plant in Column 3 or 4 of Schedule 2 by more than 15 per cent, the discharger may apply to the Director for approval to revise the limit.

(15) An application under subsection (14) shall be submitted together with the results of a receiving water assessment study that the discharger has prepared for the purpose of identifying what effect the proposed revised limit would have on the receiving water.

(16) The Director shall approve an application under subsection (14) if the Director is satisfied, based on the results of the receiving water assessment study, that the proposed revised limit would not have an adverse effect on the receiving water.

(17) Despite subsections (10), (12) and (16), a revised limit that is in force with respect to AOX expires,

- (a) on January 31, 1996, if a phase-one limit is used for the purpose of the calculation of the revised limit;
- (b) on January 31, 2000, if a phase-two limit is used for the purpose of the calculation of the revised limit.

(18) Nothing in this section shall be interpreted to relieve a discharger of the obligation to apply for any certificate of approval that may be required under the *Ontario Water Resources Act* or the *Environmental Protection Act*. O. Reg. 760/93, s. 15.

LETHALITY LIMITS

16. Each discharger shall control the quality of each process effluent monitoring stream and each cooling water effluent monitoring stream at the discharger's plant to ensure that each rainbow trout acute lethality test and each *Daphnia magna* acute lethality test performed on any grab sample collected at a process effluent sampling point or cooling water effluent sampling point at the plant results in mortality for no more than 50 per cent of the test organisms in 100 per cent effluent. O. Reg. 760/93, s. 16.

PART V MONITORING

MONITORING — GENERAL

17.—(1) Despite sections 18 to 26, a discharger need not collect samples from any stream at the discharger's plant on a day on which there is no process effluent that is being discharged from the plant.

(2) Where a discharger is required by this Regulation to pick up a set of samples and analyze it for certain parameters the discharger shall pick up a set of samples sufficient to allow all the analyses to be performed.

(3) A discharger shall use all reasonable efforts to ensure that all analyses required by this Regulation are completed as soon as reasonably possible and that the results of those analyses are made available to the discharger as soon as reasonably possible.

(4) Subject to subsection (5), each discharger shall pick up all sets of samples required to be picked up at the discharger's plant under sections 18, 19 and 20 between the hours of 7 a.m. and 10 a.m.

(5) If the Director is satisfied, on the basis of written submissions from a discharger, that the circumstances at the discharger's plant are such that it would be impractical to pick up a set of samples from each sampling point established at the plant under this Regulation within the time period specified in subsection (4), the Director may give the discharger a written notice in respect of the plant, varying the time period specified in subsection (4).

(6) Subject to subsections (7) and (8), where a discharger is required by section 18, 19 or 20 to pick up a set of samples the discharger shall pick up a set collected over the twenty-four-hour period immediately preceding the pick-up.

(7) The twenty-four-hour period referred to in subsection (6) may be shortened or enlarged by up to three hours to permit a discharger to take advantage of the three-hour range specified in subsection (4) or of a different three-hour period specified in a notice under subsection (5).

(8) Where a notice has been given under subsection (5) in respect of a plant specifying a time period longer than three hours, the twenty-four-hour period referred to in subsection (6) may be shortened or enlarged by up to that longer amount of time to permit the discharger to take advantage of the time period specified in the notice.

(9) If the circumstances at a plant change so that the Director is satisfied that the circumstances described in subsection (5) no longer apply at the plant, the Director may revoke a notice given in respect of a plant under subsection (5) by giving a notice of revocation in writing to a discharger for the plant. O. Reg. 760/93, s. 17.

MONITORING — PROCESS EFFLUENT — DAILY

18.—(1) Each discharger shall, on each day, pick up a set of samples collected at each process effluent sampling point at the discharger's plant and shall analyze each set of samples for the parameters for which the frequency of monitoring, as set out in Column 2 of Schedule 2 for the discharger's plant, is daily.

MONITORING — PROCESS EFFLUENT — WEEKLY

19.—(1) Each discharger shall, on one day in each week, pick up a set of samples collected at each process effluent sampling point at the discharger's plant and shall analyze each set of samples for the parameters for which the frequency of monitoring, as set out in Column 2 of Schedule 2 for the discharger's plant, is weekly.

(2) There shall be an interval of at least four days between successive pick-up days at the plant under subsection (1).

(3) All samples picked up under subsection (1) in a week shall be picked up on the same day in the week. O. Reg. 760/93, s. 19.

MONITORING — PROCESS EFFLUENT — QUARTERLY

(2) There shall be an interval of at least forty-five days between successive pick-up days at the plant under subsection (1).

(3) All samples picked up under subsection (1) in a quarter shall be picked up on the same day in the quarter. O. Reg. 760/93, s. 20.

MONITORING — PROCESS EFFLUENT — QUALITY CONTROL

21.—(1) On one day in each year after 1993, on a day on which samples are picked up at the plant under subsection 19 (1), each discharger shall collect and pick up a duplicate sample for each sample picked up on that day under subsection 19 (1) at one process effluent sampling point at the discharger's plant and shall analyze each duplicate sample for the parameters for which the frequency of monitoring, as set out in Column 2 of Schedule 2 for the discharger's plant, is weekly.

(2) Each discharger shall prepare a travelling blank and travelling spiked blank sample for each sample for which a duplicate sample is picked up at the plant under subsection (1) and shall analyze the travelling blank and travelling spiked blank samples in accordance with the directions set out in the Ministry of Environment and Energy publication entitled "Protocol for the Sampling and Analysis of Industrial/Municipal Wastewater", dated July, 1993.

MONITORING — PROCESS EFFLUENT — pH MEASUREMENT

22.—(1) Each discharger shall, on each day during the time period applicable to the plant under subsection 17 (4) or (5), collect a grab sample from each process effluent monitoring stream at the discharger's plant and shall analyze each sample for the parameter pH.

(2) Each discharger shall, within each twenty-four hour period beginning with the collection of the first grab sample at the plant under subsection (1) on each day, collect two more grab samples from each process effluent monitoring stream at the discharger's plant and shall analyze each sample for the parameter pH.

(2) Subject to subsection (3) and section 75, the amount of a weekly income replacement benefit shall not be less than \$185 if, during the week in respect of which the benefit is payable,

- (a) the insured person is suffering a partial or complete inability to carry on a normal life as a result of the accident, if 104 weeks or less have elapsed since the person first qualified for weekly income replacement benefits or weekly caregiver benefits; or
- (b) the insured person is suffering a complete inability to carry on a normal life as a result of the accident, if more than 104 weeks have elapsed since the person first qualified for weekly income replacement benefits or weekly caregiver benefits.

(4) The percentage mentioned in subsection (3) shall be,

- (a) 75 per cent, if the insured person started the employment more than twenty-six weeks after the onset of the disability in respect of which the weekly income replacement benefits are paid and has been engaged in the employment for less than twenty-six weeks; and

(5) Subject to section 82, for the purpose of subsection (3), the net income received by a person in respect of an employment subsequent to the accident shall be determined by subtracting the following amounts from the gross income received by the person in respect of the employment subsequent to the accident:

(7) If the insured person was self-employed at the time of the accident and the person incurs losses from self-employment as a result of the accident, the insurer shall add to the amount of the weekly income replacement benefits payable to the person 90 per cent of the losses from self-employment incurred as a result of the accident.

(8) For the purpose of subsection (7), losses from self-employment shall be determined in the same manner as losses from the business in

which the person was self-employed would be determined under subsection 9 (2) of the *Income Tax Act* (Canada) and the *Income Tax Act* (Ontario), without making any deductions for,

- (a) expenses that were not reasonable or necessary to prevent a loss of revenue;
- (b) salary expenses that were paid to replace the person's active participation in the business, except to the extent that those expenses were reasonable for that purpose;

(4) If the insured person disputes the stoppage in payment in accordance with sections 279 to 283 of the *Insurance Act* within thirty days after the notice was given, the insurer shall continue to pay the benefit until the dispute is resolved.

(5) Subsection (4) does not apply if the insured person notifies the insurer in writing that the person does not wish to receive payments of the benefit pending resolution of the dispute.

(6) If the dispute is the subject of a court proceeding or arbitration proceeding, the insurer has the burden of proving on clear and convincing evidence that the insured person had permanently withdrawn from the workforce at the time of the accident.

(7) When a dispute is resolved and it is determined that the insurer is not entitled to stop payment of the benefit, the insurer shall pay with interest any payments that were withheld under subsection (5).

(8) The interest payable under subsection (7) shall be calculated from the date each payment would have been made in the absence of subsection (5) at the bank rate in effect on the date the first payment was withheld under subsection (5).

(9) In subsection (8), "bank rate" means the bank rate established by the Bank of Canada as the minimum rate at which the Bank of Canada makes short term advances to the banks listed in Schedule I to the *Bank Act* (Canada).

(4) If at least thirty days have elapsed after the insured person received the notice and the person is still not complying with subsection (1), the insurer may, despite subsection 10 (2) but subject to subsection (5), deduct from the net weekly income used to determine the amount of the benefit under subsection 10 (1) 90 per cent of the net weekly income determined in accordance with section 81 or 82 that the person could earn in an employment that satisfies the criteria set out in subsection 30 (2).

(5) If within thirty days after receiving the notice, the insured person disputes the reduction in accordance with sections 279 to 283 of the *Insurance Act* and furnishes the insurer with a certificate from a health

practitioner stating that employment would be detrimental to the person's treatment or recovery or that the insured person is participating in a vocational rehabilitation program, the insurer shall continue to pay the benefit without any reduction until the dispute is resolved.

2. The insured person qualified for weekly income replacement benefits under Part II, did not qualify for those benefits 104 weeks after the onset of the disability in respect of which he or she first qualified for those benefits, but subsequently becomes entitled to resume receiving weekly income replacement benefits under section 14.
3. The insured person qualified for weekly caregiver benefits under Part IV, subsequently elected under section 61 to receive weekly income replacement benefits under Part II, and 104 weeks after the onset of the disability in respect of which he or she first qualified for weekly caregiver benefits continues to qualify for weekly income replacement benefits.
4. The insured person qualified for weekly education disability benefits under section 15 and, 104 weeks after the onset of the disability in respect of which he or she first qualified for those benefits or on the date the person attains sixteen years of age, whichever occurs later, continues to qualify for weekly education disability benefits.
5. The insured person qualified for weekly education disability benefits under section 15, does not qualify for those benefits 104 weeks after the onset of the disability in respect of which he or she first qualified for those benefits or on the date the person attains sixteen years of age, whichever occurs later, but subsequently becomes entitled to resume receiving weekly education disability benefits under section 17.
6. The insured person qualified for weekly caregiver benefits under Part IV, is unable as a result of the accident to earn what he or she could reasonably have earned at the time of the accident, elects at any time 104 weeks or more after the onset of the disability in respect of which he or she first qualified for weekly caregiver benefits to be governed by this Part instead of Part IV or V and,
 - i. continues to qualify for weekly caregiver benefits, or
 - ii. ceases to qualify for weekly caregiver benefits because there is no longer any person who meets the qualifications set out in subsection 18 (5).

7. The insured person qualified for weekly disability benefits under Part V, continues to qualify for those benefits 104 weeks after the onset of the disability in respect of which he or she first qualified for those benefits, and,

- i. is unable as a result of the accident to earn what he or she could reasonably have earned at the time of the accident,
- ii. would have joined or returned to the workforce at some time after the accident, and
- iii. elects to be governed by this Part instead of Part V.

(2) If a person qualifies for weekly caregiver benefits under Part IV 104 weeks after the onset of the disability in respect of which he or she first qualified for those benefits, the insurer shall promptly provide the person with notice that he or she may be entitled to make the election referred to in paragraph 6 of subsection (1).

(3) If a person qualifies for weekly disability benefits under Part V 104 weeks after the onset of the disability in respect of which he or she first qualified for those benefits, the insurer shall promptly provide the person with notice that he or she may be entitled to make the election referred to in paragraph 7 of subsection (1).

(4) An election under paragraph 6 or 7 of subsection (1) may not be changed.

- (c) the insured person's residual earning capacity determined in accordance with section 30; and
- (d) the amount of the weekly loss of earning capacity benefit, if any, determined in accordance with section 28.

(6) The offer shall include a notice that, if the offer is not accepted within forty-five days after its receipt or such longer period to which the insurer and the insured person may agree, the insured person shall be deemed to have rejected the offer in respect of both residual earning capacity and pre-accident earning capacity and the insured person will be required to be assessed under section 27.

(7) Subsection (1) does not apply if the insured person is sixty-five years of age or older.

(8) The time for delivering an offer under subsection (1) may be extended by agreement between the insurer and the insured person.

(9) If an insured person suffers an impairment as a result of an accident that occurs after the accident in respect of which an offer would, in the absence of this subsection, be given under subsection (1), and the latter accident results in a disability in respect of which weekly benefits are payable under Part II, section 15, Part IV or Part V, the operation of subsection (1) is delayed until 104 weeks after the latter accident. O. Reg. 776/93, s. 21.

INSURED PERSON'S RESPONSE TO OFFER

22.—(1) An insured person who receives the insurer's offer under section 21 may give the insurer a written response,

- (b) rejecting the insurer's offer in respect of the person's pre-accident earning capacity or the person's residual earning capacity, or both.

(2) The rejection of an offer under clause (1) (b) does not prevent the insurer and insured person from entering into negotiations in an effort to enter into an agreement regarding the payment of loss of earning capacity benefits.

(3) Any agreement to pay weekly loss of earning capacity benefits under this Part shall be in writing and shall specify the particulars set out in subsection 21 (5).

(4) If the insured person and insurer enter into an agreement under this Part and the payment of loss of earning capacity benefits is authorized under the agreement, the insurer shall begin to pay weekly loss of earning capacity benefits in accordance with the agreement. O. Reg. 776/93, s. 22.

(5) Forty-five days after receipt by the insurer of the report from the designated assessment centre under subsection 27 (5), the insurer shall commence payment of weekly loss of earning capacity benefits based on the insurer's offer made under section 21 in respect of pre-accident earning capacity and the gross annual income determined by the centre in respect of residual earning capacity, unless the insured person disputes the report within thirty days of receiving it in accordance with sections 279 to 283 of the *Insurance Act* or has disputed the insurer's offer in respect of pre-accident earning capacity in accordance with those sections.

(6) If, six months after the centre notifies the insured person under subsection 27 (2), no report has been submitted under subsection 27 (5) and the centre has informed the insurer that the report has not been submitted because of the insured person's failure to co-operate, the insurer may, on notice to the person and until a report is submitted under subsection 27 (5), pay the person weekly loss of earning capacity benefits based on the insurer's offer made under section 21.

(7) By agreement between the insurer and the insured person,

- (a) the forty-five-day period referred to in subsection (1) may be extended;
- (b) the assessment referred to in subsection (2) may be delayed;
- (c) the forty-five-day period referred to in subsection (5) may be extended;
- (d) the thirty-day period referred to in subsection (5) may be extended.

(8) Subject to subsections (5) and (6) and to subsection 281 (4) of the *Insurance Act*, the insurer shall continue to pay benefits under Part II, section 15, Part IV or Part V pending resolution of a dispute under subsection (3) or (4), if the person continues to qualify for those benefits. O. Reg. 776/93, s. 23.

24. A person who has not received an offer under section 21 and who is entitled to receive weekly income replacement benefits under Part II, weekly education disability benefits under section 15, weekly caregiver benefits under Part IV or weekly disability benefits under Part V may agree in writing with the insurer that the insurer will pay the person weekly loss of earning capacity benefits instead of the weekly benefits the person would otherwise be entitled to. O. Reg. 776/93, s. 24.

25. A person who has not received an offer under section 21 and who is entitled to receive weekly income replacement benefits under Part II, weekly education disability benefits under section 15, weekly caregiver benefits under Part IV or weekly disability benefits under Part V may agree in writing with the insurer that the person shall be assessed under section 27. 27.—(1) If an insured person agrees to be assessed under section 25 or is required by subsection 23 (2) to be assessed under this section, the insurer shall, within fifteen days, notify the designated assessment centre nearest to the insured person that is authorized to assess impairments of the type sustained by the insured person.

(2) The centre shall promptly notify the insured person and shall arrange for the assessment.

(3) For the purpose of the assessment,

- (b) the insured person shall submit to such reasonable physical, psychological and mental examinations as the centre may request.

(4) The centre shall designate the type of employment that best satisfies the criteria set out in subsection 30 (2), without considering any impairment that,

- (a) if the operation of subsection 21 (1) was not delayed under subsection 21 (9), occurred after the accident and did not result from the accident; or
- (b) if the operation of subsection 21 (1) was delayed under subsection 21 (9), occurred after the first accident, unless the impairment resulted from an accident.

where,

- A = the amount of the weekly loss of earning capacity benefit,
- B = the person's pre-accident earning capacity, determined in accordance with section 29,
- C = the person's residual earning capacity, determined in accordance with section 30.

(2) Despite subsection (1), the amount of a weekly loss of earning capacity benefit for an insured person who has received weekly education disability benefits under section 15 shall be the amount determined in accordance with the following formula:

where,

- A = the amount of the weekly loss of earning capacity benefit,
- B = the person's pre-accident earning capacity, determined in accordance with section 29,
- C = the person's residual earning capacity, determined in accordance with section 30.

(3) Subject to section 75, the amount of a weekly loss of earning capacity benefit shall not be less than \$185 if, during the week in respect of which the benefit is payable, the insured person is suffering a complete inability to carry on a normal life as a result of the accident.

(2) Despite subsection (1), the pre-accident earning capacity of a person who is entitled to receive weekly income replacement benefits under paragraph 1 of subsection 7 (1) and who was self-employed at the time of the accident shall be the net weekly income determined in accordance with section 81 or 82 using the gross annual income from employment that the person could reasonably have earned at the time of the accident, having regard to the person's personal and vocational characteristics at that time.

(3) For the purpose of determining the amount of a weekly loss of earning capacity benefit under this Part, the pre-accident earning capacity of a person who is entitled to receive weekly income replacement benefits under paragraph 2 or 5 of subsection 7 (1), weekly caregiver benefits under Part IV or weekly disability benefits under Part V shall be deemed to be the person's net weekly income determined in accordance with section 81 or 82 using the gross annual income from employment that the person could reasonably have earned at the time of the accident, having regard to the person's personal and vocational characteristics at that time.

(5) For the purpose of determining the amount of a weekly loss of earning capacity benefit under this Part, the pre-accident earning capacity of a person who is entitled to weekly education disability benefits under section 15 shall be determined in accordance with the following formula:

$$B = D \times E$$

where,

DETERMINING RESIDUAL EARNING CAPACITY

30.—(1) For the purpose of this Part, the residual earning capacity of a person shall be deemed to be the net weekly income determined in accordance with section 81 or 82 using the gross annual income that the person could earn from the type of employment that best satisfies the criteria set out in subsection (2).

(2) The criteria referred to in subsection (1) are:

1. The person,
 - i. is able and qualified to perform the essential tasks of the employment, or
 - ii. would be able and qualified to perform the essential tasks of the employment if the person had not refused to obtain treatment or participate in rehabilitation that was reasonable, available and necessary to permit the person to engage in the employment.
2. The employment exists in the area in which the person lives and is accessible to the person.
3. It would be reasonable to expect the person to engage in the employment having regard to the possibility of deterioration in the person's impairment and to the person's personal and vocational characteristics.

TEMPORARY SUPPLEMENT TO BENEFITS

32.—(1) If a person who is entitled to receive weekly loss of earning capacity benefits as a result of an accident and who is engaged in an employment becomes unable for a temporary period, as a result of the accident, to engage in employment in which the person could earn the gross annual income that was used to determine the person's residual earning capacity for the purpose of determining the amount of the person's weekly loss of earning capacity benefit, the insurer shall, during that period, pay the person a weekly supplement to the loss of earning capacity benefits.

(2) Subsection (1) applies only if the person provides the insurer with a certificate from a health practitioner stating that the person has become unable for a temporary period, as a result of the accident, to engage in employment in which the person could earn the gross annual income that was used to determine the person's residual earning capacity for the purpose of determining the amount of the person's weekly loss of earning capacity benefit.

(3) Subsection (2) does not prevent the insurer from disputing a claim for a weekly supplement under this section in accordance with sections 279 to 283 of the *Insurance Act*, but the insurer shall pay the weekly supplement pending resolution of the dispute.

(4) Subject to subsections (5) and (6), the amount of the weekly supplement shall be equal to the lesser of the following amounts:

1. 90 per cent of the person's residual earning capacity that was used for the purpose of determining the amount of the person's weekly loss of earning capacity benefit before the temporary period.
2. 90 per cent of the net weekly income determined in accordance with section 81 or 82 from the type of employment in which the person is unable to engage during the temporary period.

(5) The sum of the weekly loss of earning capacity benefits and the weekly supplement shall not exceed \$1,000 after making any deductions permitted by section 75.

(6) No supplement shall be paid under this section for a period of more than one year or after the person attains sixty-five years of age.

(7) Subsection (1) applies whether or not the person is engaged in the type of employment that satisfies the criteria set out in subsection 30 (2) at the time the determination occurs. O. Reg. 776/93, s. 32.

MANDATORY REVIEW OF AMOUNT OF BENEFIT

33.—(1) The insurer shall review the amount of the weekly loss of earning capacity benefit,

- (a) three years after loss of earning capacity benefits are first paid to a person; and
- (b) eight years after loss of earning capacity benefits are first paid to the person.

(2) Subsection (1) does not apply after the person attains sixty-five years of age.

(3) After each review, the insurer shall,

- (a) if the insurer believes there has been no material change in the ability of the person to earn the amount that is being used for the purpose of determining the person's residual earning capacity, offer to continue to pay the person a weekly loss of earning capacity benefit in the same amount as the person's current benefit; or

- (b) in any other case, offer to pay the person a weekly loss of earning capacity benefit in an amount determined under section 28 based on the insurer's estimate of the person's current residual earning capacity determined in accordance with section 30 and specified in the offer.

(4) An offer under this section shall be made in writing and shall include the particulars set out in clauses 21 (5) (b) to (d).

DETERIORATION IN IMPAIRMENT

34.—(1) A person receiving weekly loss of earning capacity benefits may require the insurer to review the amount of the benefit if the person provides the insurer with a certificate from a health practitioner stating that the person has suffered a permanent deterioration in his or her impairment as a result of the accident that makes the person unable to engage in employment in which the person could earn the gross annual income that was used to determine the person's residual earning capacity for the purpose of determining the amount of the person's weekly loss of earning capacity benefit.

(2) Subsection (1) does not apply after the person attains sixty-five years of age.

(3) Subsection (1) applies whether or not the person is engaged in the type of employment that satisfies the criteria set out in subsection 30 (2) at the time the deterioration occurs.

(4) Subsection (1) applies only if,

- (a) more than one year has elapsed since loss of earning capacity benefits were first paid to the person in respect of the accident and a review is not yet required by clause 33 (1) (a);
- (b) more than one year has elapsed since the review required by clause 33 (1) (a) and a review is not yet required by clause 33 (1) (b); or
- (c) more than one year has elapsed since the review required by clause 33 (1) (b).

(5) No review may be required under subsection (1) within one year after a previous review was made under this section.

(6) Subsections 33 (3) to (5) apply, with necessary modifications, to a review required by this section. O. Reg. 776/93, s. 34.

ADJUSTMENT AT AGE SIXTY-FIVE

35.—(1) When a person who is receiving weekly loss of earning capacity benefits under this Part attains sixty-five years of age, the amount of the weekly loss of earning capacity benefits shall be adjusted to the amount determined in accordance with the following formula:

$$A = B \times 0.02 \times C$$

where,

- A = the amount to which the amount of the weekly loss of earning capacity benefits shall be adjusted,
- B = the amount of the weekly loss of earning capacity benefit that the person was entitled to receive immediately before attaining sixty-five years of age, without making any deductions permitted by section 75,
- C = the lesser of,
 - i. 35, and
 - ii. the number of years during which the person qualified for weekly income replacement benefits under Part II,

weekly education disability benefits under section 15, weekly caregiver benefits under Part IV, weekly disability benefits under Part V or weekly loss of earning capacity benefits under this Part before attaining sixty-five years of age.

(2) The amount of a weekly loss of earning capacity benefit that has been adjusted under subsection (1) shall not be less than \$185 if, during the week in respect of which the benefit is payable, the insured person is suffering a complete inability to carry on a normal life as a result of the accident. (3) The insurer may stop payment of the weekly benefits thirty days after the insured person receives the notice unless, before that date, the insured person provides the insurer with a certificate from a health practitioner of the insured person's choice stating that the insured person continues to suffer from the disability in respect of which the benefits are paid and the notice referred to in subsection (2) shall inform the insured of this information.

(4) If an insurer stops payment under subsection (3) and the insured person subsequently provides the insurer with a certificate from a health practitioner stating that the insured person continues to suffer from the disability in respect of which the benefits were paid, the insurer shall,

- (a) resume payment of the benefits; and
- (b) pay any benefits that were not paid.

(5) If the insured person provides the insurer with a certificate under subsection (3) or (4), the insurer may, on notice to the insured person, require the insured person to be examined by,

(6) An examination under clause (5) (a) by a health practitioner of the insurer's choice shall be scheduled by the insurer and, for that purpose, the insurer shall make reasonable efforts to schedule the examination for a time that is convenient for the insured person and shall provide the insured person with reasonable notice of the examination.

(7) The health practitioner who conducts an examination under clause (5) (a) shall prepare a report and provide a copy of the report to the insurer and to the insured person.

(8) If a report under subsection (7) states that the insured person is no longer suffering from the disability in respect of which the benefits are paid, the insurer may give the insured person notice that the insurer will stop paying the benefits on a date specified in the notice and the notice shall provide the information contained in subsections (9) to (12).

(9) The insurer may stop payment of the weekly benefits on or after the date specified in the notice unless the insured person gives the insurer written notice that he or she wishes to be examined by a person selected in accordance with subsections (11) and (12).

(10) Despite subsection (9), the insurer shall not stop payment earlier than fourteen days after the insured person received the notice under subsection (8).

(11) If the insurer gives a notice under clause (5) (b) or the insured person gives a notice under subsection (9), the insurer and the insured person shall endeavour to agree on a health practitioner to conduct the examination.

(12) If the insurer and the insured person cannot agree on a health

practitioner to conduct the examination within fourteen days after the insured person received notice from the insurer under clause (5) (b) or within fourteen days after the insurer received notice from the insured person under subsection (9), the examination shall be conducted by the designated assessment centre nearest to the insured person that is authorized to assess impairments of the type sustained by the insured person.

(17) If the report states that the insured person continues to suffer from the disability in respect of which the weekly benefits are paid, the insurer may dispute the obligation to pay the benefits in accordance with sections 279 to 283 of the *Insurance Act* and, pending resolution of the dispute, the insurer shall pay the benefits.

(18) Nothing in this section prevents an insured person from disputing a stoppage in the payment of weekly benefits in accordance with sections 279 to 283 of the *Insurance Act* and, if it is finally determined that payment of the benefits should not have been stopped, the insurer shall,

- (a) resume payment of the benefits; and
- (b) pay any benefits that were not paid.

(19) If the insured person fails or refuses to submit to an examination under subsection (5) or (9), the insurer may withhold payment of the weekly benefits until the person submits to the examination and, when the person submits to the examination, the insurer shall,

PRE-DETERMINED INCOME FROM SELF-EMPLOYMENT

84. Despite section 83, an insurer and a named insured who is self-employed and not otherwise employed may agree in a contract evidenced by a motor vehicle liability policy that, for the purpose of determining benefits under this Regulation in respect of an accident that

occurs during the period covered by the contract, the named insured's gross income from self-employment for every week shall be deemed to be the weekly income amount specified in the contract if, at the time of the accident, the person continues to engage in the self-employment in which he or she engaged at the time the contract was entered into and the person is not otherwise employed. O. Reg. 776/93, s. 84.

INCOME TAX CALCULATIONS

85.—(1) For the purpose of this Regulation, the income tax payable by a person under the *Income Tax Act* (Canada) and the *Income Tax Act* (Ontario) shall be determined having regard to only the following deductions and tax credits that apply to the person under those Acts:

1. Alimony and maintenance payments deduction.
2. Basic personal tax credit.
3. Married person's tax credit or equivalent to married tax credit.
4. Age tax credit.
5. Disability tax credit.
6. Unemployment insurance premium tax credit.
7. Canada Pension Plan tax credit.
8. Quebec Pension Plan tax credit.

(2) If a determination of the income tax payable by a person under the *Income Tax Act* (Canada) and the *Income Tax Act* (Ontario) is necessary to determine the amount of a benefit under this Regulation, a person who applies for the benefit shall provide the insurer with such information as is reasonably necessary to enable the insurer to determine the income tax payable by the insured person under the *Income Tax Act* (Canada) and the *Income Tax Act* (Ontario).

(3) Failure to comply with subsection (2) does not relieve the insurer from any time limit established by this Regulation for the payment of the benefit, but the insurer shall determine the amount of the benefit on the basis of its best estimate of the income tax payable by the person under the *Income Tax Act* (Canada) and the *Income Tax Act* (Ontario), subject to later adjustment of the amount of the benefit when subsection (2) is complied with. O. Reg. 776/93, s. 85.

CONVERSION OF PART-TIME INCOME TO FULL-TIME INCOME

86.—(1) For the purpose of subsection 29 (1), a person's net weekly income used in determining the person's pre-accident earning capacity shall be converted to a full-time net weekly income in accordance with this section if,

- (a) the person was employed on a part-time basis at some point during the period of time used under section 9 for the purpose of determining the amount of the person's weekly income replacement benefits;
- (b) the person would have worked on a full-time basis at some time after the accident; and
- (c) the gross income used under section 9 for the purpose of determining the amount of the person's weekly income replacement benefits includes income from employment other than self-employment.

(2) The full-time net weekly income shall be determined in accordance with section 81 or 82 using a gross annual income determined in accordance with the following formula:

$$A = B \times C \times 52$$

where,

A = the gross annual income,

B = the person's hourly rate of wages or salary in the employment designated under subsection (3),

C = the number of hours in a regular work week for a person employed on a full-time basis in the employment designated under subsection (3), determined in accordance with subsection (4).

(3) For the purpose of subsection (2), the person shall designate one employment, other than self-employment, in which the person engaged on a part-time basis during the time period used under section 9 for the purpose of determining the amount of the person's weekly income replacement benefits.

(4) For the purpose of subsection (2), the number of hours in a regular work week for a person employed on a full-time basis in the employment designated under subsection (3) shall be determined in accordance with the following rules:

1. If the number of hours in a regular work week for a person employed on a full-time basis is fixed by a collective agreement or by law for a person employed in the position in which the person whose full-time net weekly income is to be determined was employed, that number of hours shall be used for the purpose of subsection (2).
2. If rule 1 does not apply but there is a standard number of hours in a regular work week for a person employed on a full-time basis in the position in which the person whose full-time net weekly income is to be determined was employed, that number of hours shall be used for the purpose of subsection (2).
3. If rules 1 and 2 do not apply but there is a standard number of hours in a regular work week for other persons employed on a full-time basis in the workplace in which the person whose full-time net weekly income is to be determined was employed, that number of hours shall be used for the purpose of subsection (2).
4. If rules 1 to 3 do not apply but there is a standard number of hours in a regular work week for persons employed on a full-time basis in the industry or profession in which the person whose full-time net weekly income is to be determined was employed, that number of hours shall be used for the purpose of subsection (2).
5. If rules 1 to 4 do not apply but there is a reasonable method for establishing the number of hours in a regular work week for a person employed on a full-time basis for the purpose of subsection (2), that method shall be used.
6. If rules 1 to 5 do not apply, the number of hours in a regular work week for a person employed on a full-time basis shall be deemed to be 36.5 hours for the purpose of subsection (2). O. Reg. 776/93, s. 86.

(2) Any further loss or damage accruing to the automobile directly or indirectly from a failure to protect it as required under subcondition (1) of this condition is not recoverable under this contract.

(3) No repairs, other than those that are immediately necessary for the protection of the automobile from further loss or damage, shall be undertaken and no physical evidence of the loss or damage shall be removed,

- (a) without the written consent of the insurer; or

**Examination
of Insured**

(4) The insured shall submit to examination under oath, and shall produce for examination at such reasonable place and time as is designated by the insurer or its representative all documents in the insured's possession or control that relate to the matters in question, and the insured shall permit extracts and copies thereof to be made.

**Repair or
Replacement**

(6) The insurer, instead of making payment, may, within a reasonable time, repair, rebuild or replace the property damaged or lost, with other of like kind and quality if, within seven days after the receipt of the proof of loss, it gives written notice of its intention to do so.

(5) La garantie de l'assureur se limite à la valeur réelle en espèces de l'automobile, calculée à la date du sinistre; le sinistre est déterminé ou estimé selon la valeur réelle en espèces, après avoir effectué une juste déduction pour la dépréciation, quelle qu'en soit la cause, et ne doit pas excéder le coût de la réparation ou du remplacement de l'automobile, ou de toute pièce de celle-ci, à l'aide de matériaux de même nature et qualité. Dans le cas où une pièce de rechange est périmée ou ne peut être obtenue, l'assureur n'est alors tenu qu'à la valeur de cette pièce à la date du sinistre. Orders in Council/Décrets

O.C./Décret 3050/93

On the recommendation of the undersigned, the Lieutenant Governor, by and with the advice and concurrence of the Executive Council, orders that:

Sur la recommandation du soussigné, le lieutenant-gouverneur, sur l'avis et avec le consentement du Conseil des ministres, décrète ce qui suit :

WHEREAS subsection 3 of section 15 of the Crown Timber Act provides that the Lieutenant Governor in Council may, upon 30 days notice of his intention so to do by publication in The Ontario Gazette, suspend the operation of subsection 1 of section 15 of the Crown Timber Act as to any kind or class of timber that he designates and as to any area that he defines and for such period and upon such other terms and conditions as he considers proper;

AND WHEREAS Lajambe Forest Products Limited, a company which operates a veneer mill and sawmill facility located in the City of Sault Ste. Marie, Ontario and which utilizes in its veneer mill yellow birch, white birch and oak logs of veneer quality, has applied to the Minister of Natural Resources to obtain approval to export 150 cubic metres of "birdseye" maple logs of veneer quality for sale to a mill operated by Stanley International LTD. in Wisconsin, U.S.A. for the purpose of exchanging these logs to obtain yellow birch veneer logs for use in its Sault Ste. Marie veneer mill.

AND WHEREAS Lajambe Forest Products Limited, has applied to the Minister of Natural Resources to obtain approval to export up to an aggregate of 30,000 cubic metres of maple, yellow birch, oak, ash and elm logs of pulpwood quality annually for sale to mills which are operated by The Mead Corp. and Packaging Corp. of America, both located in Michigan, U.S.A.

AND WHEREAS the period of the suspension of subsection 1 of section 15 to permit export referred to above is for the term commencing with final approval of the Order in Council and ending March 31, 2000;

AND WHEREAS Lajambe Forest Products will be required to apply annually to the Director, Provincial Operations Branch of the Ministry of Natural Resources, to obtain approval to export the above noted volumes in any one year.

AND WHEREAS Lajambe Forest Products Limited currently holds Crown timber licences on various areas in the Sault Ste. Marie and Wawa administrative districts of the Ministry of Natural Resources and other Crown timber licences from which such Crown timber proposed for export has been harvested;

AND WHEREAS Lajambe Forest Products has indicated that it is unable to utilize the aforesaid logs in its Sault Ste. Marie, Ontario mills and that it has offered the veneer and pulpwood logs for sale to other major veneer and pulpwood mills, respectively, in Ontario, and that those mills are unable to purchase the offered material at this time due to a combination of current market conditions, species utilization, and an excess supply of pulpwood quality logs;

AND WHEREAS Lajambe Forest Products Limited has indicated that it has found potential purchasers for the above mentioned veneer quality logs and pulpwood logs being offered and, Lajambe has indicated that it can receive yellow birch veneer quality logs on an exchange basis;

AND WHEREAS the Minister of Natural Resources, upon review of the application by Lajambe Forest Products Limited to export Crown timber to U.S.A., would like to act favourably upon that application in order that the aforesaid volume of logs can be utilized;

NOW THEREFORE the Honourable Minister of Natural Resources recommends that under subsection 3 of section 15 of the Crown Timber Act, the Lieutenant Governor in Council by publication in the Ontario Gazette, give notice of intention to suspend the operation of subsection 1 of section 15 of the Crown Timber Act for the period commencing with the approval of the final Order in Council and ending March 31, 2000 in respect of:

The export of up to 150 cubic metres, or its equivalent, in total, of "birdseye" maple logs of veneer quality by Lajambe Forest Products Limited and the export of up to 30,000 cubic metres, or its equivalent, in total, of maple, yellow birch, oak, ash or elm logs of pulpwood quality logs of Crown timber by Lajambe Forest Products Limited, subject to the following terms and conditions:

- (i) Lajambe Forest Products will be required to apply each year in writing to the Director, Provincial Operations Branch, stating the details of the volume, species and type of logs to be exported, the source and the intended destination by November 30th of the year prior to export and obtain the approval of the Director;
- (ii) The export of Crown timber is limited to the species and volume indicated above;
- (iii) Approval of the export for any specific year does not imply approval of the export of any additional or future volumes;
- (iv) An absence of a local Ontario market for the sale of this material must be indicated for approval of export application, and when requested by the Director, may require provision by Lajambe Forest Products of a copy of documentation from an Ontario mill which indicates that the mill will not require the pulpwood quality logs in the forthcoming year;
- (v) Lajambe Forest Products Limited, shall be required to pay to the Treasurer of Ontario, in addition to other Crown charges payable, in advance, \$1.00 per cubic metre for the "birdseye" maple to be exported, and \$0.30 per cubic metre for the hardwood pulpwood quality material to be exported.

THE HONOURABLE MINISTER of Natural Resources further recommends that effective 30 days from the date notice of such intended suspension is published in the Ontario Gazette, the Lieutenant Governor in Council so suspend the operation of subsection 1 of section 15 of the Crown Timber Act.

Recommended

HOWARD HAMPTON,
Minister of Natural Resources.

Concurred

FRANCES LANKIN,
Chair of Cabinet.

Approved and Ordered, December 8, 1993.
